**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AS a small business owner it's hard enough to keep up with the bills paid and finding a company like Infostructure that works with us to provide our phone and internet at a cost reasonable to our budget is essential.

With everything else that keeps going up it would be appreciated to see that the FCC is continuing to look out for the needs of small business as well as big corporate business.

Thank you for you time.
